# Writing: Write About an Experience

You are going to write a paragraph about your personal experience.

- Your paragraph should include at least **three complete sentences** and should have a **beginning, a middle, and an end**.
- Use **descriptions, details, and examples** to make your writing interesting.
- Check your writing for correct grammar, capital letters, punctuation, and spelling.

## Think about a time when you had to work on a difficult math problem. How do you go about solving the problem? What challenges did you face/come across? Were you able to overcome those challenges?

Optional sentence starters: One difficult math problem I once faced was _____. To solve this problem, first I ____. The challenges that I faced were _____. I was/was not able to overcome these challenges because _____.
